SUMMER SCHOOL COURSE DESCRIPTIONS

SUMMER- 2024

***Please sign your child up for what
grade they will be in the Fall!**

Dear Belmont Community School District Families,

It is once again time to start planning your summer. We have received lots of positive feedback with the setup of last year's Summer School schedule and we have decided to run this summer very similarly with just a few changes in times! We look forward to offering a new set of classes with lots of fun opportunities for all ages! We will be running Summer School for 4 weeks total in June and July!

June 10th - 13th & June 17th-20th and July 8th - 11th & July 15th-18th

Session 1 (8:00-9:00 am)

Snack break from (9:00 - 9:30 am)

Session 2 (9:30 - 10:30 am)

We would like to have your child/children sign up for both sessions if they plan on attending summer school if possible. We DO NOT want your child/children waiting around for other siblings without being in attendance of a course.

We are excited to be offering **SUMMER LIBRARY** this summer! To allow this to work with our new session schedule, we will be offering this the (4) **Monday's** of Summer School following Session 2.

Library will be from 10:30am - 12:00pm

- **Registration will be ONLINE again this year. We will send the link out via Skyward, list it on our Facebook Page (Belmont Community Schools), and post it on our School Website.**

If you have any questions regarding course offerings, please contact Brooke Wiese at brooke.wiese@belmont.k12.wi.us We are looking forward to a wonderful summer!

Thank you,
Brooke Wiese, Summer School Coordinator
