

BELMONT COMMUNITY SCHOOL LOCAL SCHOLARSHIPS 2024-25

Local Scholarships are from organizations and businesses within our community. Many of these scholarships require our Local Belmont Application. Some require additional essays. Please be aware of each scholarship requirement. A separate Local Application must be with each new scholarship you apply to; unless a separate private application is requested from the donor.

Please note that some scholarships require a private application (rather than the Local Belmont Application) that is attached. All Local Scholarships should be returned to Mr. Wolch. Applications will be forwarded on to the respective businesses and organizations who will choose their scholarship winner. No late applications will be accepted. Private scholarships should be completed directly to the organization.

*****Please Note: Scholarship information is subject to change as information is received by School Counselor. Additional Scholarships may be added to the list as well as they come in after the first of the year. Please contact Mr. Wolch if you have additional questions.
