8531 - **FREE AND REDUCED-PRICE MEALS**

The Belmont Community School Board recognizes the importance of good nutrition to each student's educational performance.

The Board shall provide eligible children with breakfast and lunch at a reduced rate or at no charge to the student, as well as free milk for qualifying students, if the District participates in the Wisconsin School Day Milk Program.

Children, eligible for free or reduced-price meals, shall be determined by the criteria established by the Child Nutrition Program. These criteria are issued annually by the Federal government through the Wisconsin Department of Public Instruction's (DPI) administration of the School Nutrition Programs.

The Board designates the District Bookkeeper to determine in accordance with Board standards, the eligibility of students for free and/or reduced-price meals.

The schools shall at least once annually close to the beginning of the school year notify all families of the availability, eligibility requirements, and/or application procedure for free and reduced-price meals by distributing an application to the family of each student enrolled in the school. The notice shall contain all information required by State and Federal regulation.

Any student identified as homeless, a foster child, a runaway, a migrant, or who is enrolled in Head Start shall be considered eligible for free meals and free milk.

Students receiving free or reduced meals or milk shall not be subjected to any of the following actions related to their receipt of meal service:

- A. the District shall not publish or otherwise publicize names of children receiving free or reduced meals or milk;
- B. the District's meal service will not use special tokens or tickets that identify students as receiving free or reduced meals or milk;
- C. no student shall be required to work or perform any service in order to receive food service;

- D. students receiving free or reduced-price meal service shall not be required to use a separate line or separate eating area, nor shall they be required to receive meals at a different time based on eligibility for the free or reduced program;
- E. all students shall have the same choices for meals and milk regardless of whether the student is paying full price or receiving free or reduced meal service benefits.

The District Administrator shall regularly evaluate the free and reduced lunch program to determine whether the District or school may qualify for special assistance certification or Community Eligibility Provision (CEP) to reduce the paperwork burden on families qualifying for free and reduced meals. Any schools identified as CEP-eligible shall be notified.
