

Good Morning,

I hope that everyone had a nice Spring Break! I am happy that the European Trip went well and that everyone returned safely. We will now transition into a busy spring season for athletics and school activities. This week's schedule is linked here: [March 25th Weekly Schedule](#)

Congratulations to Everett Marcus & Candice Salzmman for winning at State Wrestling! That is a pretty awesome accomplishment!

We are down to 10 weeks left in the 2023-24 School Year. Let's finish strong and make some great things happen!

Have a nice week!

Sincerely,

Beau Buchs

Superintendent
