Good Morning,

I would like to congratulate everyone who participated in the Cabaret. You did a great job and thank you to Mr. Lehnherr and Mrs. Edge for your leadership in making the event successful. Thank you to the families who donated deserts as well! Thank you to Dave Lee and Bill Clayton for running the auction!

Our winter sports seasons have all officially wrapped up. I was proud of the sportsmanship, teamwork, and effort that all of our winter athletes displayed. You represented Belmont with class and I appreciate that! Track & Field starts today. Softball begins on March 11th and Baseball begins on March 18th. MS Track & Field begin on March 25th. Best of luck in your upcoming seasons!

Please remember that clocks spring ahead on Sunday, March 10th.

We have had a few questions regarding an administrative lockdown that took place last week. We typically do not communicate each time we have a lockdown. We have had quite a few this year for various reasons. If we need to communicate something, we will do so as appropriate. Thank you for your understanding on this! There are a lot of things that happen behind the scenes and I promise that our team is doing our best to help each and every student.
