

Good Morning,

We will have double bus routes tonight (Monday, April 22nd) due to after school trip schedules. As of now, this is the only time we will need double bus routes this week.

Please see this week's schedule here: [April 22nd](#)

As a reminder, a survey regarding school operations will arrive in mailboxes around the school district this week. If you have any questions regarding the survey or if you don't receive a survey in the mail within a week, please reach out to the school and we can get a survey to those who need one. We appreciate the feedback as we plan for our future.

We will be offering full day 4K for the 2024-2025 School Year. This offers extra opportunities for our students, saves on transportation costs, and hopefully helps a little bit with day care needs. The details of what the 4K schedule will look like for next year will be shared with 4K parents in the coming weeks. School Registration for next year's 4K students will be opened in the coming weeks as well and information will be shared with those families.

We have a lot of events prior to the end of the school year but I would like to remind you that we will be holding an elementary picnic on May 30th from 11:00-12:00 with students being dismissed following the picnic on our last day of school.
