

Good Morning,

Please see this week's busy schedule here: [January 13th Weekly Schedule](#)

I would like to share a quick story regarding one of our students and their leadership. We had a very busy and successful youth wrestling tournament here yesterday. We had a wrestler from another town hurt their arm. One of our students and HS Wrestlers really stepped up and showed how to be a "Brave" yesterday. When the youth wrestler was injured, an EMT asked Mason Oellerich to find a few sweatshirts and a blanket. Mason immediately took his sweatshirt and handed it to the EMT. Mason literally gave the shirt off of his back and then went to find more so he could help out. This may seem like a little thing but I want to commend Mason for responding quickly and being so selfless! Thank you Mason for being so helpful in a very difficult moment. We also hope the youngster who was injured recovers quickly!

Congratulations to our Spelling Bee contestants. The top 2 spellers from 3rd-8th grade competed in our School Spelling Bee today. First place went to 6th grader, Zea Nunn. She will advance to The CESA 3 Regional Bee on February 5th, at the Southwest Wisconsin Technical College Auditorium. 8th grader, Shannon Pishion is our Alternate. The Spelling Bee went 26 rounds and our students did a great job overall!

As of now, we do have regular bus routes all week. Thank you to our drivers Scott Peterson, Roger Andrews, Gerald Flogel, & Kurt Malott for all that they do! We are also fortunate to have Adam Jacobus & Craig Wedig fill in as substitutes along with Tom Thomas! We have a busy schedule with all of our trips and these guys always step up to get the job done!

Please remember that Friday is a Teacher Inservice Day and we do not have school!

Have a great week! Stay warm!

Sincerely,

Beau Buchs

Superintendent
