

Good Morning,

I hope you are enjoying the summer thus far. After our July School Board Meeting, I wanted to give you a few updates.

At last night's meeting, the following hires were approved for the upcoming school year:

Amie Voigts - MS Student Council & MS Volleyball Coach

Matt Bockhop - Volunteer HS Baseball Coach

Jaylen Rufenacht - HS Asst. Boys' Basketball Coach

Sonya Junk - Paraprofessional

After School Program Fees (\$5/day, \$10/day for early release days, & \$15 registration) & Annual Athletic Pass Fees (\$75) were approved with no increase in the cost. The Board of Education also approved the milk bid from Prairie Farms and Bust Maintenance bid from TruckCo. We also held the first reading for the federally mandated Title IX policy. As I shared last night, there are potential changes coming on the new Title IX policy but as of now, it is a required policy update.

I also shared an updated presentation regarding the referendum question. We do plan on holding a special meeting in August to discuss adopting a resolution for an operating referendum question. At this point, I am recommending \$550,000 annually for four years. This amount is based on projections with what we know as of right now. I will attach the presentation with some projections and information here: [Operating Referendum Presentation July 2024](#) We also plan on having a community meeting on August 22nd at 7 pm where I will share some information and answer any questions. As always, if you have any questions regarding the topic, please reach out. We also have posted the results of our Spring Survey on our School Website. I will attach them here as well: [Spring Survey Results](#)

Have a great upcoming weekend! Online registration is on track to open on August 1st. We will remind you when the time comes!

Sincerely,

Beau Buchs

Superintendent
