In attendance: Vaughn Mester, Laura Bahr, Lauren Runde, Dana Bendorf, Denise Brania, & Beau Buchs

I. CALL TO ORDER: The meeting was called to order at 7:00 pm with the pledge of allegiance being recited.

II. DISCUSSION ITEMS

A. The following policies were discussed and reviewed. Mr. Buchs gave explanations on the policy changes which were pretty straight forward. Laura asked about the policy on meetings and wondered if we have the correct policy. After reviewing, Mr. Buchs found that we are listed as a “common” school district and this is the correct policy. The list of policy mostly has minor changes recommended. A few new policies are being suggested in dealing with video surveillance, smart monitoring, and artificial intelligence. Mr. Buchs did inform the committee that this is something that changes quickly so we don’t want to be overly specific when dealing with artificial intelligence.

BELMONT COMMUNITY SCHOOL DISTRICT
BUILDINGS, GROUNDS and TRANSPORTATION COMMITTEE
Monday, October 16, 2023
6:00 p.m. -- Keyes Distance Learning Lab

Present: Pete Bonin, BJ Galle, Jamie Heinrichs, Brandon Wiese, Dana Bendorf, & Beau Buchs

I. CALL TO ORDER

A. Pledge of Allegiance: The meeting was called to order at 6:00 pm with the Pledge of Allegiance being recited.

II. DISCUSSION ITEMS

1. Update on Handicap Accessible Pavilion: Mr. Buchs shared that there is approximately \$8000 left from the donated money to the pavilion. BJ & Jamie said they would need to do some estimating on remaining costs so we can determine if funding is available to complete the project. Mrs. Bendorf suggested that if we know an amount needed, maybe others would consider making donations to fund the completion of the pavilion.

2. Parking Lot Entrance: Mr. Buchs shared the quote from Iverson's on paving the driveway entrance of the school which is in bad shape currently. The quote for replacing the current driveway and poor areas coming into the lot is: \$21,457. The quote has two extra options as well. 1. Fix the area on the corner across from the district office for \$2560. 2. Widen the driveway entrance by 10' x 103' at a cost of \$7115. Discussion took place as to find answers to a few questions including: 1. What is the cost to redo the entire upper parking lot? 2. What would the cost be to wedge the driveway as a way to bandaid the driveway until we would redo the entire parking lot at once. Pete explained that wedging is putting either a 2" or 4" coat of blacktop over the surface. Mr. Buchs shared that he would seek answers to the questions and bring this back to the board later.

3. School Bus Update: Mr. Buchs gave an update that we have upcoming bus needs. Bus #8 needs new tires preferably before winter. Bus #6 has a slow leak from the fuel tank. Mr. Buchs shared that tires will be ordered and that bus #6 will be taken to Truck Country to get an estimate on cost/timeline for repairs.

4. Scoreboard in Elem Gym: Mr. Wiese and Mr. Buchs shared that the elementary scoreboard has a bad plug/wires which make the scoreboard extremely finicky. Mr. Buchs shared information that he has obtained from All-American Scoreboards. The boards can not be configured to a wireless connection as the boards are too old of a model. We could rewire the plug in system but the concern would be that the scoreboard control box is 30-35 years old and seems that it could be an issue soon. Replacements for this are unavailable so rewiring the board could be a waste of money. Mr. Wiese and Mr. Buchs will discuss options with the Sports Boosters to see what kind of financial support they may be willing to provide.

III. Adjourn: The meeting adjourned at 6:27 pm. BJ motioned, Pete seconded, motion passed 3-0.

1st ANNUAL BELMONT HOLIDAY TRAIL

In December of 2023, the Belmont Tourism Commission would like to introduce “The Belmont Holiday Trail!” We are working to bring a Christmas light display to the Bond Park Trail. We have received enough interest from businesses to proceed with our project. Belmont will be the first in the area to offer a Christmas Light display along the trail for ATV, UTV, bikers, hikers, walkers, and snowmobilers to enjoy. We will be “Welcoming” visitors into our community with a lighted “Christmas” display.

We are continuing to look for businesses, organizations, groups and/or families that would be interested in creating a Christmas light display by lighting up the trail in December. There will be no fee to join in the fun. The Belmont Tourism Commission will be providing financing for the electricity and providing signage for all displays. Your responsibility will be providing a lighted display of your choice. We will be offering various sizes of spaces to decorate. They can range from 20 - 25 feet sections to smaller 10 – 15 feet sections. If you need more space, just let us know. We will be asking that all displays be put up and ready to light the night by December 1st. You can advertise your business, organization, or group in exchange for providing a little holiday cheer. Please consider joining the “Belmont Holiday Trail” project and make Belmont a special destination this Christmas season.

We will be hosting a celebration to launch our 1st Annual Holiday Light Trail on Saturday, December 2, 2023. The Pavilion will be set up with Mr. and Mrs. Claus from 5 to 7 PM with treat bags for all the children that visit Santa. Refreshments will be available to purchase. We will have a tree for the kids to help decorate with their homemade ornaments and a mail box for Santa letters.

We are currently looking for other groups, organizations, individuals, or businesses to volunteer to get involved with our celebration. If your organization or group has a fund-raising idea or craft project, or a Christmas activity that you would like to organize please reach out to Cathy Frontz at 608-732-7228. Fund- raising ideas could be wreath making, decorating gingerbread houses, selling roasted chestnuts, hot chocolate, Christmas Cookies etc. Activities could be the evening of the celebration or the week prior to the celebration depending on your activity. We are considering designating the evening of Tuesday, November 28th as the date for completing projects with the kids. (Place of activities is yet to be determined based on interest.) This evening could include helping the kids write letters to Santa that they can drop off when they visit, making ornaments to hang on the tree while visiting Santa at the park or decorating Christmas cookies. The ideas are endless.

Have your organization or group pick an activity or fund-raising activity and let us know so we can help promote it for you. Help us make the 1st Annual Belmont Holiday Trail a celebration!

Santa will also be available to visit from 5 to 7 PM on Saturday, December 9, 2023. Refreshments will also be available.

Call soon if you would like to help. Cathy 608-732-7228 or Julie 608-762-5142.

Belmont Community School has established a fund entitled Supporting Schools and Families. The goal of the program is to assist families who have had changes in the family structure such as the loss of a family member, loss of employment, or an emergency that has arisen. Through the Supporting School and Families, we have created a Holiday Project and have paired with local organizations. It is our goal to provide assistance to individuals and families that have suffered from an illness, divorce, injury or other crisis by providing gift items such as food, clothing, toys, etc. If your family has undergone significant stress this past year and you would like some assistance, please contact Meghan Solberg or Matt Wolch at the school. **This is a confidential program.** Please feel free to pass this form on to any family that this pertains to.
