IV. REPORTS

A. Belmont Village Planning Study

Brandon Masbruch spoke to the School Board regarding a planning project they are pursuing through some federal grant money. There will be local costs associated for the Village and Brandon asked if there would be any interest from the School District in making an investment in the plan as this could lead to future growth in housing. Brandon shared that as housing opportunities present themselves in the community, this could benefit the School District with enrollment and help the School District Budget.

No reports

C. State Report Card

Mrs. Brania handed out the State Report Card. Mr. Buchs stated that the report card will be discussed in depth next month. The Report Card is public online.

D. School Improvement Plan Update

Mr. Buchs handed out the School Improvement Plan (SIP) document. He stated that staff works hard on the goals during in-service days and throughout the year. Staff are on multiple committees. Kim asked if there are specific things that staff do during each year to meet the goals. Mrs. Bendorf stated that some staff members use this document to prepare their SLOs within their evaluation systems and progress monitoring. Jamie asked what happens if we do not meet a specific goal. Mr. Buchs states that they are addressed, sometimes by administration, having speakers present/train, updating curriculum, budgeting, and book studies. Kim asked if they tracked the training or extra things done? Mr. Buchs stated that they have active administrative meetings and staff meetings, and those things are not necessarily listed anywhere. Mrs. Bendorf stated that an example of trying to help a certain goal is that last year the district hosted an interventionist to help staff with different tactics. Jamie asked if the assessments are an accurate reading of where students actually are? Mr. Buchs stated that for

the most part it is a good measure, but in all cases, it depends on the student and if they give their best effort on the tests. Mrs. Brania stated that if a student does not score where teachers feel they should be, they have a conversation with the student, and some will want to retest. Kim was wondering if there were ways to get staff to feel more positive as the Sunshine area of the SIP seems to get more frustrated in their reflections. She was wondering if there were ways to support them.

E. Activities Director

Brandon Wiese prepared a report. He stated that on December 2nd the district will transition from YouTube to Hudl for streaming events.

F. Student Services

Denise Brania prepared a report. She stated that staff have been identifying students that need more support. She will be working on schedule changes within special ed. She would like to give a shout out to Miss. Lemanski for her work in Special Ed and Early Childhood classrooms.

G. Principal

Dana Bendorf prepared a report.

H. Superintendent

Adding Absence Requests in Skyward Family Access

If your student is staying home from school, you can create an absence request in Skyward Family Access the morning of the absence. If you know your student will not be in school on a future date (ex. family vacation), you can create an absence request for a future date as well. Below are the steps in creating an absence request. You can also view a tutorial at: <https://www.youtube.com/watch?v=oyASUI9wNsU>

1. Sign into Skyward Family Access using your assigned username and password.
You will see the Family Access tile screen, where you can view tiles for all your students.
2. Select the Attendance tile
You can select a tile under a specific child's name or under the View All Students heading. If you wish to view a different child's information, you can do so by selecting that child's name at the top left of the screen.
3. Select the Absence Requests tab near the top of the screen on the left.
4. Under the Year-to-Date Absence Request heading, click Add Absence Request near the right of the screen.
5. The Add Absence Request Screen will appear. Complete the appropriate fields.
 - a. Verify the Start Date or enter the correct date if necessary.
 - b. Verify the End Date or enter the correct date if necessary.
 - c. Uncheck the box for All Day if appropriate
If you left the box checked, skip to sub-step f
If you unchecked the box, the Start Time and End Time fields display. Continue to sub-step d.
 - d. Enter the Start Time or click the Clock icon to enter the time.
 - e. Enter the End Time or click the Clock icon to enter the time.
 - f. Enter an Attendance Reason or click the Down Arrow icon to choose the reason.
The only reason that is available to select is Parent Request. Select Parent Request.
 - g. Enter a Comment
For example, if you wish to indicate that this request is due to vacation, you could enter Family Vacation.
6. Click Save near the top left of the screen to save your work.
You will return to the Absence Request tab of the Student Attendance Screen. You can make modifications to the absence request using the Edit option if necessary. If the absence request is no longer needed, you can click Delete. Both options are located to the left of each absence request you enter.

Once the attendance request has been processed administratively, the Edit and Delete options are no longer displayed. You may also see a comment from the school in the School Comment column.

If you have any questions, please contact Samantha Gempler at gemplers@belmont.k12.wi.us

Agregar solicitudes de ausencia en Skyward Family Access

Si su estudiante se queda en casa de la escuela, puede crear una solicitud de ausencia en Skyward Family Access la mañana de la ausencia. Si sabe que su estudiante no estará en la escuela en una fecha futura (por ejemplo, vacaciones familiares), también puede crear una solicitud de ausencia para una fecha futura. A continuación se muestran los pasos para crear una solicitud de ausencia. También puede ver un tutorial en: <https://www.youtube.com/watch?v=oyASUI9wNsU>

1. Inicie sesión en Skyward Family Access con su nombre de usuario y contraseña asignados. Verá la pantalla de mosaico de Family Access, donde puede ver los mosaicos de todos sus estudiantes.
2. Seleccione el icono Asistencia
Puede seleccionar un icono bajo el nombre de un niño específico o en el encabezado Ver todos los estudiantes. Si desea ver la información de un niño diferente, puede hacerlo seleccionando el nombre de ese niño en la parte superior izquierda de la pantalla.
3. Seleccione la pestaña Solicitudes de ausencia cerca de la parte superior de la pantalla a la izquierda.
4. En el encabezado Solicitud de ausencia del año hasta la fecha, haga clic en Agregar solicitud de ausencia cerca de la derecha de la pantalla.
5. Aparecerá la pantalla Agregar solicitud de ausencia. Complete los campos correspondientes.
 - a. Verifique la fecha de inicio o ingrese la fecha correcta si es necesario.
 - b. Verifique la fecha de finalización o ingrese la fecha correcta si es necesario.
 - c. Desmarque la casilla de Todo el día si es apropiado
Si ha dejado marcada la casilla, vaya al subpaso f
Si desmarca la casilla, se mostrarán los campos Hora de inicio y Hora de finalización.
Continúe con el subpaso d.
 - d. Introduzca la hora de inicio o haga clic en el icono Reloj para introducir la hora.
 - e. Introduzca la hora de finalización o haga clic en el icono Reloj para introducir la hora.
 - f. Introduzca un motivo de asistencia o haga clic en el icono de flecha hacia abajo para elegir el motivo.
La única razón que está disponible para seleccionar es solicitud de padre. Seleccione Solicitud principal.
 - g. Introducir un comentario
Por ejemplo, si desea indicar que esta solicitud se debe a vacaciones, puede ingresar Vacaciones familiares.
6. Haga clic en Guardar cerca de la parte superior izquierda de la pantalla para guardar su trabajo. Volverá a la pestaña Solicitud de ausencia de la pantalla de asistencia del estudiante. Puede realizar modificaciones en la solicitud de ausencia utilizando la opción Editar si es necesario. Si la solicitud de ausencia ya no es necesaria, puede hacer clic en Eliminar. Ambas opciones se encuentran a la izquierda de cada solicitud de ausencia que introduzca.
Una vez que la solicitud de asistencia se ha procesado administrativamente, las opciones Editar y Eliminar ya no se muestran. También puede ver un comentario de la escuela en la columna Comentario de la escuela.

Have questions about your Required Minimum Distribution? (RMD)

A required minimum distribution (RMD) mandates that individuals aged 73 (or 70½ before 2020) withdraw from their IRA, with these amounts taxed as income.

This could increase your tax bracket, affecting Social Security and Medicare benefits. Failing to withdraw by December 31 may incur a 25% penalty on the withdrawn amount.

Donating directly to a charity, such as CFSW's Belmont Excellence in Education or Scholarship Funds, allows you to meet your RMD, reduce taxable income, and donate with pretax dollars.
