Adding Absence Requests in Skyward Family Access

If your student is staying home from school, you can create an absence request in Skyward Family Access the morning of the absence. If you know your student will not be in school on a future date (ex. family vacation), you can create an absence request for a future date as well. Below are the steps in creating an absence request. You can also view a tutorial at: <https://www.youtube.com/watch?v=oyASUI9wNsU>

1. Sign into Skyward Family Access using your assigned username and password.
You will see the Family Access tile screen, where you can view tiles for all your students.
2. Select the Attendance tile
You can select a tile under a specific child's name or under the View All Students heading. If you wish to view a different child's information, you can do so by selecting that child's name at the top left of the screen.
3. Select the Absence Requests tab near the top of the screen on the left.
4. Under the Year-to-Date Absence Request heading, click Add Absence Request near the right of the screen.
5. The Add Absence Request Screen will appear. Complete the appropriate fields.
 - a. Verify the Start Date or enter the correct date if necessary.
 - b. Verify the End Date or enter the correct date if necessary.
 - c. Uncheck the box for All Day if appropriate
If you left the box checked, skip to sub-step f
If you unchecked the box, the Start Time and End Time fields display. Continue to sub-step d.
 - d. Enter the Start Time or click the Clock icon to enter the time.
 - e. Enter the End Time or click the Clock icon to enter the time.
 - f. Enter an Attendance Reason or click the Down Arrow icon to choose the reason.
The only reason that is available to select is Parent Request. Select Parent Request.
 - g. Enter a Comment
For example, if you wish to indicate that this request is due to vacation, you could enter Family Vacation.
6. Click Save near the top left of the screen to save your work.
You will return to the Absence Request tab of the Student Attendance Screen. You can make modifications to the absence request using the Edit option if necessary. If the absence request is no longer needed, you can click Delete. Both options are located to the left of each absence request you enter.

Once the attendance request has been processed administratively, the Edit and Delete options are no longer displayed. You may also see a comment from the school in the School Comment column.

2025-2026 Full-Time Open Enrollment Regular Application Period for Wisconsin Public Schools

INFORMATION FOR PARENTS

YOU MAY APPLY FOR OPEN ENROLLMENT FROM FEBRUARY 3 – APRIL 30, 2025.

What is Public School Open Enrollment?

Wisconsin's public school open enrollment program allows parents to apply for their children to attend a school district other than the one in which they live. Applications may be submitted to up to three nonresident school districts if the pupil wishes to attend a brick and mortar school. There are no limitations to the number of open enrollment applications that can be submitted to a virtual charter school.

How and when may parents apply?

The open enrollment regular application period for the 2025-26 school year is from February 3-April 30, 2025. The application period closes at 4:00pm on April 30, 2025. Late applications will not be accepted for any reason.

Parents may apply online at <https://dpi.wi.gov/oe>.

Can I apply to a virtual charter school under open enrollment?

A pupil may only open enroll to an online/virtual school if: (1) the school has been created as a virtual charter school that meets the requirements of the charter school law [Wis. Stats. 118.40 (8)] or (2) the pupil is required to physically attend school on a regular basis in a school located in the nonresident school district on the days that school is in session. Other important things to know about applying to virtual charter schools:

- A virtual charter school is not homeschooling. Pupils attending virtual charter schools are public school pupils.
- You must know the nonresident school district in which the virtual charter school is located.
- You must know your resident school district to apply.
- A list of virtual charter schools may be found at <https://dpi.wi.gov/parental-education-options/charter-schools/virtual-charter-schools>.

Parents whose applications are denied may appeal to the DPI within 30 days of the denial. State law requires the DPI to uphold the school district's decision unless DPI finds that the decision was arbitrary or unreasonable. The DPI's decision may be appealed to circuit court.

Who may participate in open enrollment?

Pupils in kindergarten to grade 12 may apply to participate in open enrollment.

Open enrollment for prekindergarten, four-year-old kindergarten and early childhood education is limited. Parents should call their resident school districts to find out if their preschool-aged children qualify for open enrollment.

Can an application be rejected?

Nonresident school districts may deny an application if regular or special education space is not available for the pupil; special education or related services are not available; or if the pupil has been referred for a special education evaluation but has not yet been evaluated. Nonresident school districts may also deny an application if the pupil has been expelled during the current or preceding two years for certain violent conduct or if the pupil was habitually truant from the nonresident school district during any semester in the current or previous school year.

If there are more applications than spaces, pupils must be selected randomly, after giving preference to pupils already attending school in the nonresident school district and siblings of currently-attending pupils.

Some school districts establish waiting lists to fill unused spaces, but others do not.

Can a resident district prevent a pupil from leaving?

A resident district can deny a pupil's application for an invalid application (early or late application or missing information), ineligibility due to age (too young or too old), or if the resident district does not offer the same type of prekindergarten, four-year-old kindergarten, or early childhood program as the nonresident district or the pupil is not eligible for the program in the resident district. These are also reasons that a nonresident district can deny an application.

Can parents appeal if an application is denied?

Must pupils reapply every year?

Once a pupil is accepted into a nonresident school district, the pupil may continue to attend that district without reapplication except that:

- The nonresident district may require a pupil to reapply one time—at the beginning of middle school, junior high or high school.
- A pupil may be returned to the resident school district if the special education required in a new or revised IEP is not available in the nonresident district or there is no space.
- A pupil who has become habitually truant in the nonresident district may be returned to the resident district.

(continued on next page)

Is there a cost for parents to participate in the open enrollment program?

There is no tuition cost to parents for participation in open enrollment. Parents of open enrolled pupils may be charged the same fees as resident pupils.

Who is responsible for transportation?

Parents are responsible for transporting their children to and from school.

If transportation is required in the IEP for a child with a disability, it must be provided by the nonresident district.

School districts may provide transportation to open enrollment pupils if they wish. Usually, if transportation is provided, parents must transport the pupil to a location in the nonresident district.

Low-income parents may apply to the DPI at the end of the school year for partial reimbursement of their transportation costs.

Can a parent select a specific school in the pupil's nonresident school district?

Yes. A parent may request a specific school or program in the nonresident district. However, assignment to the requested school or program is not guaranteed and your pupil may be assigned to a different school other than the one requested. It is up to each nonresident district to determine a pupil's school assignment.

Can an open enrolled pupil participate in sports and other extra-curricular activities in the nonresident school district?

Open enrolled pupils have the same rights and responsibilities as resident pupils.

Inter-scholastic athletics are governed by the Wisconsin Interscholastic Athletic Association (WIAA), which has rules concerning transfer pupils. Parents should check with the school district's athletic director about eligibility.

IMPORTANT OPEN ENROLLMENT DATES

February 3 – April 30, 2025

Parents must submit applications online or directly to the nonresident school district.

June 6, 2025

Nonresident school districts must send notices of approval or denial via US mail or email. If the application is approved, the school district must notify the parents of the specific school or program to which the pupil is assigned. If the application is denied, parents have 30 days to file an appeal.

June 13, 2025

Resident districts must notify applicants if the application is denied. If the application is denied, parents have 30 days to file an appeal.

June 27, 2025

Parents of accepted applicants must notify the nonresident district if the pupil will attend the nonresident district in the 2025-26 school year. If the parent fails to make this notification, the nonresident district may refuse to allow the pupil to attend the district.

Stop in for some dining, entertainment, & our annual dessert auction!

Hello Music Parents!

We will be making pasty for our fundraiser on March 1st from 7am-1pm. Please come help for a while if you can; the work is easy and we have a good time! Pickups and deliveries will start at 12pm. If you sold pasty, you must arrange someone to pick up your orders by 1pm that day. We have very limited fridge/freezer space at the school.

Our Cabaret performance is quickly approaching on March 2nd at 1:00pm, and we are asking for your help! We are looking for parents to work an hour-long shift in the cafeteria helping with our concessions. Students will be waiting on the tables in the gym. They will come to the cafeteria to give you the orders they've collected as well as their money. Parents working would place the food on trays with the customers' change, and the students would return everything back to the table. We will be serving ice cream, nachos, JJ Mart pizza, soda, and water. Please email Mr. Lehnherr or Mrs. Edge if you would like to work a shift, or if you have any questions!

We are also asking every family with a child in band or choir to please bring one dessert to donate at Cabaret for our dessert auction. Please label your dessert with your name as well as the name of the dessert. We recommend putting your dessert in a disposable container.

Our MS/HS Solo & Ensemble Festival is on Saturday, March 22nd at Potosi Schools for students who are taking a solo/duet/etc to perform. We will be handing out a performance schedule as soon as it is available. Bus time is at 7:15am that morning, please dress nice. This festival is open and free to the public.

THANK YOU!
