Keyes Distance Learning Lab

Present: BJ Galle, Jamie Heinrichs, Pete Bonin, Beau Buchs, Dana Bendorf, & Kurt Timlin

I. CALL TO ORDER: The meeting was called to order at 6:00 with the pledge of allegiance being recited.

II. DISCUSSION ITEMS

1. Pavilion near Football/Baseball Field : BJ reported that he is working on a plan and is getting some specifications reviewed. He will have more information soon on the plan.

2. Discussion on Booster Club advertising signs that are sold and where to put them: The board committee would like to see the signs put somewhere that is not on the new fencing. Mr. Buchs said that he would speak to the Booster Club about alternatives.

3. Replacing Bus Tires for Buses 6 & 7: Mr. Buchs reported that there are two buses that need some tires. The front tires on bus 6 need immediate attention. The rear tires on bus 6 & 7 need to be replaced before winter. After reviewing the prices, we will have TruckCo replace the tires and order the new tires through Pomp's. The committee visited the bus barn to take a look at the tires and buses.

4. Bus Barn – State Inspection

a) Ventilation Requirements: Mr. Buchs reported that Runde Plumbing is working on a plan and we are waiting for approval from the state.

b) Emergency Lighting Requirements: BJ reported that he will use some of his resources to take a look at the codes. Mr. Buchs has worked with McNett Electric on options and we are in process of getting a plan approved by the state.

5. Bleachers at BB Field: The site was visited and the committee feels that we need to purchase two 5 row, 20 feet long sections to place behind the home plate area. With the new landscaping, it will be difficult to move the portable bleacher in and out of the area without causing damage. Mr. Buchs reported that this will be budgeted for along with asking the booster club for potential assistance with the purchase.

6. Project review of the Baseball Field Area: The project is nearing completion and the committee visited the space. The outfield has been seeded and there is some rock that will need to be picked out of the topsoil that was placed.

7. Repurposing the old Backstop: Mr. Buchs proposed that some volunteers would like to reinstall the old Backstop posts to redo the upper softball/baseball field. BJ and Jamie both shared that they would like to hold off to see if we can redo the field all at once with a better plan of action and knowing a budget to do it completely.

8. Discuss the need to add soil to Football Field after the season and reseed: Mr. Buchs shared some information learned from Midwest Athletic Fields that we

could benefit from applying sand to the surface and following up with an aerator. This would help change the makeup of the mostly clay soil over time. More information will be gathered and maintenance can complete this after the season is completed. Pete Bonin also offered to help do a soil test with Mr. Hodgson and the agriculture students to see what fertilizer is needed as well.

9. Review Landscaping Plan – Kurt Timlin: The committee met with Kurt out at the field to review the plan for planting shrubs and trees. Mr. Buchs stated that he would work to get the utilities marked and then work with Kurt to come back and plant.

III. Adjourn: BJ motioned, seconded by Pete to adjourn at 7:17 pm. Motion passed 3-0.

October 14, 2022

Dear Members of the Board of Education and Members of the Belmont Community School District:

We have continued to battle staff shortages and we are working to recover from several years of dealing with students being in and out of school due to the pandemic. I am proud of the efforts that our School Board, Administrators, & Staff have put forth to meet the educational needs of our students. We can celebrate the fact that we have increased enrollment as we have 403 students at this point in time.

In order to continue providing our students educational opportunities, the Belmont Community School District has made a financial commitment. The following budget document is the culmination of this year's commitment.

Budgeting is a challenging process of matching revenues and expenditures of the school district. Wisconsin's funding formula uses revenue limits. We use the revenue limit worksheet as required by DPI and this tells us how much money we can levy for the school district.

This year's budget has been created in a way which helps all of our students learn. The budget represents a fiscal plan for the operation of the school district. The resources in the plan pay for employees, learning materials, maintains the facilities, pays the district's debts, and provides extra-curricular opportunities for our students. We have designed our budget to be very conservative in estimating our revenues and have accounted for all known expenditures.

The 2022-23 budget is being presented as a sound fiscal document, which considers the needs of the district's students. It is the product of many dedicated individuals working together for the best interest of Belmont's children.

I am very proud to be Belmont's Superintendent of Schools. I grew up here and I take great pride in our community in which I live within. I will continue to do my best to ensure great educational opportunities for our kids while doing also being fiscally responsible. I look forward to a great year!

Sincerely,

Mr. Beau D. Buchs  
Superintendent

I. CALL TO ORDER

President V. Mester called the meeting to order at 7:00 pm. The Pledge of Allegiance was said.

In attendance: Vaughn Mester, Laura Bahr, Kim Schmelz, BJ Galle, Jamie Heinrichs, Lauren Runde, Pete Bonin – Board Members ; Beau Buchs, Dana Bendorf, Denise Brania, Jeff Crase – Administrators ; Mitch Austin - Guest

II. Board President Vaughn Mester welcomed everyone in attendance.

- A. Beau Buchs, Superintendent, shared a powerpoint presentation. This year's mill rate will be at a District average of 9.21% which is up from 8.11%. EAV is up over \$3 million in the district. Our three year average on resident students is down to 356 from 361. Our open enrollment is up from years past bringing total enrollment to 399. Open enrollees do not get figured in on state funding per pupil or the levy. Mr. Buchs shared that this powerpoint will be uploaded onto the school website. We lost some state funding due to having a budget surplus last year which caused the levy to increase this year. Belmont is still below most area schools on the mill rate and near the State average.

# Adding Absence Requests in Skyward Family Access

If your student is staying home from school, you can create an absence request in Skyward Family Access the morning of the absence. If you know your student will not be in school on a future date (ex. family vacation), you can create an absence request for a future date as well. Below are the steps in creating an absence request. You can also view a tutorial at: <https://www.youtube.com/watch?v=oyASUI9wNsU>

1. Sign into Skyward Family Access using your assigned username and password.  
You will see the Family Access tile screen, where you can view tiles for all your students.
2. Select the Attendance tile  
You can select a tile under a specific child's name or under the View All Students heading. If you wish to view a different child's information, you can do so by selecting that child's name at the top left of the screen.
3. Select the Absence Requests tab near the top of the screen on the left.
4. Under the Year-to-Date Absence Request heading, click Add Absence Request near the right of the screen.
5. The Add Absence Request Screen will appear. Complete the appropriate fields.
  - a. Verify the Start Date or enter the correct date if necessary.
  - b. Verify the End Date or enter the correct date if necessary.
  - c. Uncheck the box for All Day if appropriate  
If you left the box checked, skip to sub-step f  
If you unchecked the box, the Start Time and End Time fields display. Continue to sub-step d.
  - d. Enter the Start Time or click the Clock icon to enter the time.
  - e. Enter the End Time or click the Clock icon to enter the time.
  - f. Enter an Attendance Reason or click the Down Arrow icon to choose the reason.

For example, if you wish to indicate that this request is due to vacation, you could enter Family Vacation.
6. Click Save near the top left of the screen to save your work.  
You will return to the Absence Request tab of the Student Attendance Screen. You can make modifications to the absence request using the Edit option if necessary. If the absence request is no longer needed, you can click Delete. Both options are located to the left of each absence request you enter.

Once the attendance request has been processed administratively, the Edit and Delete options are no longer displayed. You may also see a comment from the school in the School Comment column.

# Agregar solicitudes de ausencia en Skyward Family Access

Si su estudiante se queda en casa de la escuela, puede crear una solicitud de ausencia en Skyward Family Access la mañana de la ausencia. Si sabe que su estudiante no estará en la escuela en una fecha futura (por ejemplo, vacaciones familiares), también puede crear una solicitud de ausencia para una fecha futura. A continuación se muestran los pasos para crear una solicitud de ausencia. También puede ver un tutorial en: <https://www.youtube.com/watch?v=oyASUI9wNsU>

1. Inicie sesión en Skyward Family Access con su nombre de usuario y contraseña asignados. Verá la pantalla de mosaico de Family Access, donde puede ver los mosaicos de todos sus estudiantes.
2. Seleccione el icono Asistencia  
Puede seleccionar un icono bajo el nombre de un niño específico o en el encabezado Ver todos los estudiantes. Si desea ver la información de un niño diferente, puede hacerlo seleccionando el nombre de ese niño en la parte superior izquierda de la pantalla.
3. Seleccione la pestaña Solicitudes de ausencia cerca de la parte superior de la pantalla a la izquierda.
4. En el encabezado Solicitud de ausencia del año hasta la fecha, haga clic en Agregar solicitud de ausencia cerca de la derecha de la pantalla.
5. Aparecerá la pantalla Agregar solicitud de ausencia. Complete los campos correspondientes.
  - a. Verifique la fecha de inicio o ingrese la fecha correcta si es necesario.
  - b. Verifique la fecha de finalización o ingrese la fecha correcta si es necesario.
  - c. Desmarque la casilla de Todo el día si es apropiado  
Si ha dejado marcada la casilla, vaya al subpaso f  
Si desmarca la casilla, se mostrarán los campos Hora de inicio y Hora de finalización.  
Continúe con el subpaso d.
  - d. Introduzca la hora de inicio o haga clic en el icono Reloj para introducir la hora.
  - e. Introduzca la hora de finalización o haga clic en el icono Reloj para introducir la hora.
  - f. Introduzca un motivo de asistencia o haga clic en el icono de flecha hacia abajo para elegir el motivo.  
La única razón que está disponible para seleccionar es solicitud de padre. Seleccione Solicitud principal.
  - g. Introducir un comentario  
Por ejemplo, si desea indicar que esta solicitud se debe a vacaciones, puede ingresar Vacaciones familiares.
6. Haga clic en Guardar cerca de la parte superior izquierda de la pantalla para guardar su trabajo. Volverá a la pestaña Solicitud de ausencia de la pantalla de asistencia del estudiante. Puede realizar modificaciones en la solicitud de ausencia utilizando la opción Editar si es necesario. Si la solicitud de ausencia ya no es necesaria, puede hacer clic en Eliminar. Ambas opciones se encuentran a la izquierda de cada solicitud de ausencia que introduzca.  
Una vez que la solicitud de asistencia se ha procesado administrativamente, las opciones Editar y Eliminar ya no se muestran. También puede ver un comentario de la escuela en la columna Comentario de la escuela.

# SENIORS HELPING SENIORS

## **NOVEMBER 2, 2022**

The date has been set for the annual Seniors Helping Seniors Fall Clean-up. On Wednesday, November 2nd the members of the senior class will be available for any type of fall clean-up that senior citizens may need help with.

In the past, students have performed several chores ranging from raking leaves and washing windows outside. Because of liability, we will not be able to perform tasks involving high climbing or indoors to follow social distancing guidelines. You may use the bottom form to request a service. If the weather changes plans we will be in contact with you directly. **Please fill out the form and return it to the high school office at 646 East Liberty Street or send Mr. Wiese an email at [wiesebr@belmont.k12.wi.us](mailto:wiesebr@belmont.k12.wi.us). You may also contact Mr. Wiese (7-12 School Counselor) at 608-762-5131 x 1106.**
