BELMONT COMMUNITY SCHOOL DISTRICT
BUILDINGS, GROUNDS and TRANSPORTATION COMMITTEE
Monday, August 22, 2022
6:00 p.m.
Keyes Distance Learning Lab

In Attendance: Pete Bonin, Jamie Heinrichs, BJ Galle, Tom Thomas, Dana Bendorf, Beau Buchs, Sue Gill, Ben Gill, & Brandon Gill

- I. The meeting was called to order at 6:00 pm and the Pledge of Allegiance was recited.

- II. DISCUSSION ITEMS
 1. Pavilion near Football/Baseball Field: BJ Galle drew up a plan for a pavilion that would be adjacent to the outdoor concession stand and near the athletic fields. Susie Gill has expressed interest in donating towards this project. The plan was reviewed and the group was comfortable with pursuing prices on a 12'x24' pavilion. Mr. Buchs shared that some grants have been applied for to help assist with upgrading the restrooms, adding sidewalks, and to help pay for the pavilion. The goal of this is to make the grounds more accessible for all people including those who may have physical disabilities.
 2. Update on Outdoor Projects: The baseball field is under construction and the Droessler's will be here this week to build the blocks on the dugout, Rural will be building the retaining wall at the base of the hill, and fencing will be done as soon as this is done. Lastly, the final grade will be put on the field and the cement will be finished once everyone else is ready. Todd Barrett will aim to be here sometime during the week of August 29th to build the dugout roofs.
 3. Update on Paint for Exterior Gym Door: Livesey Painting out of Madison came today, August 22nd, to prep and paint the exterior doors of the HS gym where the paint had all peeled off.
 4. Update on Weightroom Project: Thanks to many great volunteers, the weight room was painted. Another group of volunteers will help lay the rubber floor in the room as well. Mr. Buchs also would like to thank the Booster Club for funding this project. Again, the classrooms below will no longer have to hear the noise from the weights during PE classes.
 5. Other: BJ asked Tom if we had heard back on any other quotes for the library door hardware. Tom reported that these locks are obsolete, and we have had a long journey of searching for parts. The best solution may be to purchase completely new hardware for these doors.

- III. Adjourn: BJ motioned, Pete seconded to adjourn at 6:45 PM. Motion passed 3-0.

If you know your student will not be in school on a future date (ex. family vacation), you can create an absence request for a future date as well. Below are the steps in creating an absence request. You can also view a tutorial at: <https://www.youtube.com/watch?v=oyASUI9wNsU>

1. Sign into Skyward Family Access using your assigned username and password.
You will see the Family Access tile screen, where you can view tiles for all your students.
2. Select the Attendance tile
You can select a tile under a specific child's name or under the View All Students heading. If you wish to view a different child's information, you can do so by selecting that child's name at the top left of the screen.
3. Select the Absence Requests tab near the top of the screen on the left.
4. Under the Year-to-Date Absence Request heading, click Add Absence Request near the right of the screen.
5. The Add Absence Request Screen will appear. Complete the appropriate fields.

 - b. Verify the End Date or enter the correct date if necessary.
 - c. Uncheck the box for All Day if appropriate
If you left the box checked, skip to sub-step f
If you unchecked the box, the Start Time and End Time fields display. Continue to sub-step d.
 - d. Enter the Start Time or click the Clock icon to enter the time.
 - e. Enter the End Time or click the Clock icon to enter the time.
 - f. Enter an Attendance Reason or click the Down Arrow icon to choose the reason.
The only reason that is available to select is Parent Request. Select Parent Request.
 - g. Enter a Comment
For example, if you wish to indicate that this request is due to vacation, you could enter Family Vacation.
6. Click Save near the top left of the screen to save your work.
You will return to the Absence Request tab of the Student Attendance Screen. You can make modifications to the absence request using the Edit option if necessary. If the absence request is no longer needed, you can click Delete. Both options are located to the left of each absence request you enter.

Once the attendance request has been processed administratively, the Edit and Delete options are no longer displayed. You may also see a comment from the school in the School Comment column.

**The Belmont Sports Boosters would like to thank all who helped make our
3rd Biennial Sports Booster All Sports Fundraiser a HUGE success!!**

THANK YOU! Once again, this AMAZING town pulled together and blew our expectations away.

It's been about a month since the fundraiser and (as the work doesn't end right after the event is over) I'm finally caught up with everything enough to be able to sit back and just reflect on the thoughtful and generous town that we have the pleasure of living in.

Our main goal was to bring the community and the student athletes together while fundraising for our Brave athletes of all ages. Thanks to you all, we definitely accomplished this! It was so amazing to look around and see the student athletes and youth playing and having fun together. To see the student athletes and coaches take the time to be there and be a positive influence on the community was FANTASTIC to see! Also, to see the amount of young families there to spend time getting to know their student athletes and coaches. It was just an amazing sight.

You all overwhelmed us with your generosity once again. I can't say I was surprised, because this town and community has come through for our athletes' time and time again. It was so much fun! We were so blessed to have the weather on our side for this event. I will admit, that morning I was a bit (ok, more than a bit) nervous about all that rain. BUT, it cleared off just in time to get all set up and ready for the event. We are going to just be thankful for what we received and take this time to once again thank you all for everything you do for us to be able to give our Belmont Brave athletes everything they need to keep them safe and some of their wants too.

We would love to thank each and every person that contributed to the event in any way... sponsorships, donations, buying items at the auctions, raffle tickets, auction workers, Booster members for helping sell tickets and run games, and all the other many jobs that the event entailed. The coaches and athletes for having the super fun "kids" games and for helping cleanup and everything else you did! Lee McCarville Catering & Tim Carey for having terrific food available for all.

The money that we raised for our athletes is a true blessing, but (to us) the best and most rewarding part was to see and be involved with the supportive environment that the event pulsed with that night. It was humbling not only as a Brave but also as a member of the Belmont community. Once again Belmont **BE PROUD!!!**

-Traci Austin & The Belmont Sports Boosters

**Thank you to our 2022 sponsors that continue to stick by us this year.
You are appreciated beyond words! Please patronize these
businesses, and tell them THANK YOU for supporting the Belmont

BELMONT BLESSINGS IN A BACKPACK

Blessings in a Backpack program provides food on the weekends for elementary school children attending Belmont Community Schools who might otherwise go hungry. Every Friday, students receive backpacks with staples that require little to no preparation and they return on Monday ready to learn. With your support, we can ensure that up to 70 children attending Belmont have food to eat each weekend which will help to build their feelings of self-worth, inclusion, and security preparing them for a successful week of school. Better test scores, improved reading skills, positive behavior, improved health, and increased attendance have all been attributed to consistent nutrition, such as what this program helps provide. For more information, contact program coordinator Kim Voigts: 608-732-3923 or voigtsmoos@gmail.com.

SENIORS HELPING SENIORS

NOVEMBER 2, 2022

The date has been set for the annual Seniors Helping Seniors Fall Clean-up. On Wednesday, November 2nd the members of the senior class will be available for any type of fall clean-up that senior citizens may need help with.

In the past, students have performed several chores ranging from raking leaves and washing windows outside. Because of liability, we will not be able to perform tasks involving high climbing or indoors to follow social distancing guidelines. You may use the bottom form to request a service. If the weather changes plans we will be in contact with you directly. **Please fill out the form and return it to the high school office at 646 East Liberty Street or send Mr. Wiese an email at wiesebr@belmont.k12.wi.us. You may also contact Mr. Wiese (7-12 School Counselor) at 608-762-5131 x 1106.**
